ABOUT US

Forex, short for foreign exchange, refers to the global marketplace for buying and selling currencies. It is one of the largest and most liquid financial markets in the world, with a daily trading volume exceeding \$6 trillion. The forex market operates 24 hours a day, five days a week, and includes currency trading between large banks, central banks, institutional investors, corporations, governments, retail investors, and speculators.

WHAT IS FOREX TRADING

Forex trading is the process of exchanging one currency for another in the forex market. Traders engage in forex trading to profit from changes in currency exchange rates. This involves speculating on whether the value of one currency will rise or fall relative to another.
